A BOOM

Does not ultimately bring about the best results to a community.

THE PAN-HANDLE

is NOT on a boom, but is enjoying the most rapid growth of any section of Texas.

Why? Because only recently have the public at large realized the opportunities which this northwest section of Texas offers. The large ranches are being divided into

SMALL STOCK FARMS

Wheat, Corn, Cotton, Melons and all kinds of Feed Stuffs are being raised in abundance, surpassing the expectations of the most sanguine—a country abounding in such resources (tried and proven), together with the LOW PRICE of Lands, cannot help enjoying a most rapid growth, and that is what is happening in the Pan-Handle.

The DENVER ROAD

has on sale daily a low rate home-seekers ticket, which allows you stop-overs at nearly all points, thus giving you a chance to investigate the various sections of the Pan-Handle. Write

THEATRICAL.

"The Convict's Daughter," the attraction at the Temple last evening, was a source of much disappointment to the audience.

Waifs of New York.

It is several seasons since Merry Katie Emmett has been seen in "The Waifs of New York" in this part of the land, but her reception at the opera house tonight will be none the less enthusiastic. Miss Emmett, who is known by every boy from ocean to ocean as "Our Katie" is still presenting her inimitable performance of the typical newsboy "Willie Rufus," a character of which she is the greatest exponent of our modern stage.

You ask why this play should go on from year to year attracting audiences that test the capacity of theatres. It is for the reason that the two great elements of love and laughter dominate the plot and story. Not only is there the love affairs of the young man and woman of the story, but the great all-powerful love of the newsboy wait for the poor little abused child of misfortune, who has become his companion and friend.

Through all this love atmosphere, however, is deftly woven the mythical incidents of the story, each highly wrought up scene or situation is punctuated or accentuated by good clean laugh producing material, and Katie Emmett goes on for the reason that those who see her once go again, because they like both her and her play.

"Jolly Rovers" all Right.

The Four Miltons in their musical comedy, "Uncle Silas" stand second to none as musical artists, presenting Mr. Frank Milton's realistic impersonation of the down-east character. Mr. Billy Howard, the German comedian in monologue. Lola Milton, greatest of all rag-time singers. Mlle. Gertrude, the graceful Hungarian character dancer, and other high-class vaudeville acts.

The play, "The Jolly Rovers," is a farce comedy pure and simple, without a plot, and built for laughing purposes only.

The band will give a free concert in front of the theatre at 7:30 p. m., and Prof. Keeler's orchestra will furnish the music during the performance.

Look out for the band parade at noon. At Temple Opera House Friday, December 4th.

"The Smart Set."

"The Smart Set," which is one of the largest colored organizations in the world, will make their annual appearance at the opera house next Saturday in an entirely new production, which has involved a very large outlay.

All of the scenery and costumes are new and a number of novelties will be introduced. Aside from the magnificence of the singing by the artists, the dancing is a feature which will be appreciated by everyone. No one can dance with such verve and abandon as the colored man, and in their dances they are gracefulness itself.

The company this season numbers 50 people and includes such well known performers as Tom McIntosh, Billy McClain, Tom Brown, Billy Young, Harry Reed, Lawrence Chenault, Mlle Cordelia, Marion Henry Smart and Irene Navarro.

Ladies and Children Invited.

All ladies and children who cannot stand the shocking strain of laxative syrups, cathartics, etc., are invited to try the famous Little Early Risers. They are different from all other pills. They do not purge the system. Even a double dose will not gripe, weaken or sicken; many people call them the Easy Pill. W. H. Howell, Houston, Tex., says nothing better can be used for constipation, sick headache, etc. Bob Moore, Lafayette, Ind., says all others gripe and sicken, while De Witt's Little Early Risers do their work well and easy. Sold by Avenue Drug Store.

Dieting Invites Disease.

To cure dyspepsia or indigestion it is no longer necessary to live on milk and toast. Starvation produces such weakness that the whole system becomes an easy prey to disease. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that one cares to eat and is a never failing cure for indigestion, dyspepsia and all stomach troubles. Kodol digests what you eat—makes the stomach sweet. Sold by all druggists.
